

Client-Centered Approaches for Group Discussions

Dates, Times & Location

April 27, 2005
September 28, 2005

8:30 am–4:30 pm

WIC Training Center
Olympia, Washington

For ALL nutrition educators, including nutritionists, certifiers, breastfeeding promotion coordinators, nurses, and clerk/certifiers, who teach groups and are ready to move from traditional education to facilitated groups discussions.

What staff said about this training:

- The day was fun and I learned a lot of practical techniques.
- This training gave me concrete tools to work with and lots of practice.
- I learned some key components of group facilitation.
- It was easy to apply what was learned.

CPE's available for RD's

Grow with WIC

Join us for one day of ***focused training and practice***. Participants will:

- Explore the value of identifying what clients want to learn.
- Learn to facilitate group sessions vs. "teach classes."
- Apply adult learning principles to group education.
- Learn what is currently working in group education and what is not.
- Use the tools for facilitating groups and correcting misinformation.
- Practice techniques as you learn them.
- Share facilitation experiences and engage in creative and re-enforcing activities.

Come ready to practice and learn!
